

DON'T BE THAT SOMEONE

If you've ever drunk alcohol, got into a car with someone who has driven after drinking alcohol, driven after drinking alcohol yourself, or if you know someone who has been injured or killed in a drink driving accident...

we'd like to hear from you.

Young people between 14 and 18 are needed to take part in research, and help create a resource pack to educate on the issues and dangers of drink driving.

Get involved!

Please email info@dont-be-that-someone.co.uk for a questionnaire and more information.

Look for "Someone Drinks, Someone Drives" on Facebook and join our group.
